Hi Paula,

The document below is now split into 4 separate documents – main, appendices, figures and tables. I put them on the 30 Day Share I Drive at: I:\30 Day Share\PSchmittdiel VB I-70 Approved QAPPs\VBI OU2 RI

Please let me know if you need anything else. Thank you!

Shawna – This is the document (see below) I wanted to be broken into separate pieces. Just to make sure we're talking about the same doc.

Thanks.

Hi Paula,

Yes, we do have the RI on hand complete with appendices and figures. Some reports from Appendix C were left on the accompanied CDs and Appendix D is on a CD. I looked to be sure we have them on hand – we do.

Please let me know if you need anything else. Thank you!

Shawna – Does the SFRC have the following document in the file for OU-02 at VB/I-70 including appendices, figures, tables, etc.

“Remedial Investigation – Vasquez Boulevard/Interstate 80 Superfund Site, Operable Unit 2 – On-Facility Soils, Former Omaha and Grant Smelter” prepared for City and County of Denver by Engineering Management Support, Inc. Dated Dec. 16, 2009”

Let me know if you have it in the file – I don’t need a copy at the moment. Thanks

Paula Schmittdiel
